In **Literacy**, I will be concentrating on developing my writing skills using a range of different skills and text types. As part of our topic we will be looking at the use of adverts and persuasive leaflets to encourage people to visit different areas of focus.

Jerry Clay Academy

In **Maths** I will be continuing to develop my confidence in all subject areas. We will be particularly focussing on calculating with decimals, fractions and percentages and will be developing our written and mental strategies when calculating with these.

In **Science,** I will be focussing on looking at how people stay fit and healthy. I will be mostly focussing on diet and nutrition. We will be looking sugar content in foods and discussing how we can live healthy lifestyles.

Topic title: **Great Britain?**

Subject Focus: **Geography**

In other areas of the topic, I will learn about different areas of the UK focussing on comparing Yorkshire with London. I shall be reading and producing maps and discussing positive and negative impacts of tourism.

PE in Class 6 is on a Wednesday. I will need my outdoor PE kit for the rest of the summer term. I will also need outdoor trainers/pumps. For safety reasons I will not be allowed to take part if I do not have suitable footwear.

I will receive homework weekly. This will be set on a Wednesday and will need to be completed by the following Monday.

I will always have times tables to learn and reading to do as my book is checked daily.

In **Art** this term I will be looking at developing my use of colour to create a dramatic effect. We will be continuing our 'Graffiti Art' topic and will be moving on to look at how street artists develop their pieces.
