

Welcoming families to our Open Morning 2016

Creating memories!

Consistency of experience is key. We believe that children's independence should be increased as they move throughout the primary. We give them as many opportunities as possible to learn from real-life experiences and lead their own learning.

Children get one childhood and we want this to be the best! We encourage children to 'strive to be the best they can be' by finding areas which they can shine in. A broad curriculum is very important to us. Instilling key skills, whilst covering the whole curriculum ensures that we are developing our children into fully rounded learners.
