

In **Literacy**, I will be learning about 'Traditional Tales and focussing on Little Red Riding Hood'. I will be using my topic work to give me inspiration for this as well as learning about other traditional tales from around the world to create our own traditional tale.

In **Maths** I will continue to learn about adding, subtracting and counting in 2's, 5's and 10's where I will be able to apply my skills and extend my thinking. I will also be learning to tell the time to half past and the hour. I will also be learning about other areas of Maths such as fractions and measures.

In **topic**, I will be learning about stories from around the world. I will be using Geography skills to locate where stories are from and will be able to re-tell these stories in a number of ways, for example, using puppets I have made in class.

Topic title: **What Can We About Our World From Stories?**  
Subject Focus: **D&T / Geography**

Also in topic, I will be learning about Aboriginal Art. After looking at the work of certain artists, I will be creating my own art work.

In Science, I will learn about materials and shadows.

**PE** in Class 1 is on Wednesday and Thursday. I will need dark shorts and my Jerry Clay Academy t-shirt (or a white t-shirt) for indoor PE and a dark tracksuit for outdoor games. I will also need a spare pair of trainers/pumps. I will be learning about gymnastics and football this half term.

I will receive spelling homework weekly. This will be set on a Friday and will need to be completed by the Wednesday after.

I will be given a Maths task every other week.

In **ICT** this half term, I will be learning about illustrating an e-book. I will be selecting and using appropriate painting tools to create and change illustrations to match my story. I will then be able to create my own book.
