

In **Literacy**, I will be looking at poetry, in particular creating description through poetry. I will also be writing an explanation text based on what I have learnt through topic. Spelling as well as sentence structure will be a key focus throughout this.

In **Maths** I will continue to learn about the four number operations; add, subtract, multiply and divide. I will be also learning about time, specifically looking at telling the time in 5 minute intervals. Looking at capacity and measurement will also be covered over the course of this half term.

In **topic**, I will be learning about water! I will be looking mainly at the importance of water to the world as well as looking at how both humans and animals rely on it for many things such as growth. I will be using the outdoor learning area to help with this.

Topic title: **Why is water precious?**

Subject Focus: **Science/ Geography**

In **Art**, I will be looking at different sculptures and will work towards making my own sculpture using recycled materials. I will learn about different techniques used in sculpture making. In **music**, I will be thinking about how to create music using water as an inspiration.

PE in Class 2 is on Tuesday and Thursday. I will need dark shorts and my Jerry Clay Academy t-shirt (or a white t-shirt) for indoor PE and a dark tracksuit for outdoor games. I will also need a spare pair of trainers/pumps. I will be learning about athletics during this half term.

I will receive spelling homework weekly. This will be set on a Thursday and will need to be completed by the Wednesday after.

I will be given a Maths task every other week.

I should also be practising my times tables regularly.

In **ICT** this half term, I will be learning about photography. I will look at different angles for taking photos as well as editing photos to make it look better.
