

In **Literacy**, I will be learning about 'Cuddly Dudley' and other texts to help us understanding what 'belonging' means. I will be developing my vocabulary so that I can select and use appropriate and exciting words and developing adjectives to add detail to my writing.

In **Maths** I will learn about addition and subtraction. I am beginning to use part-whole models to help me partition numbers. This will support me begin to see adding and subtracting patterns. I will also be working on my number bonds to 20 to help me add and subtract numbers speedily.

In **topic**, I will be learning about belonging. I will be looking at my own home, family and history and comparing it within our class and across the world! I will be using Geography skills to locate different countries and history skills to create a time line of important events.

Topic title:
What does it mean to belong?
Subject Focus: **Geography/
History/ R.E**

Also in Art, I am going to be creating a sculpture of a street of houses. I will be looking at using different shapes for each part of the buildings and creating layers and shades to create a 3D effect.

In Science, I will learn about flowers and plants.

PE in Class 1 is on Tuesday and Thursday. I will need dark shorts and my Jerry Clay Academy t-shirt (or a white t-shirt) for indoor PE and a dark tracksuit for outdoor games. I will also need a spare pair of trainers/pumps. I will be learning about gymnastics this half term.

I will receive spelling homework weekly. This will be set on a Friday and will need to be completed by the Wednesday after.

I will be given a Maths task every other week.

In **ICT** this half term, I will be learning about illustrators. I will be using the software 'paint' and using different tools and skills to create my own e-book.
