Weekly Communication

Dear Parents

We have had another learning filled week and with only 4 days left, we are working hard to ensure that we have completed all our topics to finish term 2 for the Easter holidays.

Our Reception children went on a great trip to Cannon Hall Farm

Many thanks to the Reception team who provided our children with a fantastic day at Cannon Hall Farm. The children absolutely loved their experience, even though it was very cold! We now have our very own JCA milking cow and farm yard in the outdoor area.

Celebrating our children

Thank you to all of you that were able to make it to our 'Appreciation' exhibition. It really was amazing to see the excellent outcomes your children in Year 1 & 2 achieved. Exhibitions are so important to our school, as they uplift our children to understand that achieving anything is possible and that the sky really is the limit!

Supporting our community

As part of the children's 'appreciation' topic, the children in Year 1 planned and prepared an afternoon tea and games for the people of the Glynn care home. Please do have a look on our Twitter feed @JCAWakefield at some of the special memories they have created within our community. The quality outcomes from the topic are now displayed within our school.

Today our children are performing in the Rothwell Music festival

Today our choir are performing at the very prestigious Rothwell Music Festival. The children did a rehearsal to the whole school yesterday and sounded absolutely brilliant. Good luck to our children who are competing in this.

Diamond dash winners

**Well done to Salina Carter in Year 5 for gaining Bronze
Evie Fawcett & Spencer Denning in Year 5 for gaining Silver
Matthew Lowell in Year 5 for gaining Gold**

We have seen an increase in the work our children are doing on their times tables. We have also taken your feedback on times tables Rock stars and have decided that we are going to go ahead with having this as a school to help us work towards Diamond Dash. We are currently working on subscribing fully to this and this will be available to your children throughout the Easter holidays.

IMPORTANT-INSET DAY

Please be reminded that children will **come back to school after Easter on Monday 16th April** NOT Tuesday 17th April.

Key dates coming up.....

School closes for the Easter holidays- Thursday 29th March

School opens for term 3 – Monday 16th April

Have a great weekend.

Warmest regards,

Mrs. T Swinburne
