

In **Literacy**, I will be looking at adventure stories. I will be using books about mining to understand how to include a sense of adventure in my writing. I will also be able to write a recount about something I have done, including all key facts and information.

In **Maths** I will continue to learn about the four number operations; add, subtract, multiply and divide. I will be learning about place value and looking at different ways to represent numbers. I will do this using concrete objects as well as using written numbers. I will be developing counting skills in 2s, 5s and 10s.

In **topic**, I will be learning about mining! I will be looking at the history of mining and the different locations of mining across the world. I will also spend time considering what mining felt like whilst I will also look at what happens when mining goes wrong!

Topic title: **Magnificent Miners**

Subject Focus: **History**

In **Art**, I will be looking at different sculptures and will work towards making my own sculpture using a variety of materials. I will also be using paint in different ways to create pictures with different effects with a focus on the mining topic.

PE in Class 2 is on Monday and Thursday. I will need dark shorts and my Jerry Clay Academy t-shirt (or a white t-shirt) for indoor PE and a dark tracksuit for outdoor games. I will also need a spare pair of trainers/pumps. I will be learning about benchball and gymnastics during this half term.

I will receive spelling homework weekly. This will be set on a Thursday and will need to be completed by the Wednesday after.

I will be given a Maths/Comprehension task every week.

I should also be practising my times tables regularly.

In **ICT** this half term, I will be learning about coding. I will be looking at moving different objects in different directions before including coding on the programme 'Scratch' to create a small game.
