Striving to be the best that we can be!

Jerry Clay Academy ensure that the curriculum and holistic approach to learning allows all children to have a range of enriching opportunities and memorable experiences. It is through the broad curriculum and opportunities that we ensure all children:

- Are happy and safe
- Show respect for others and themselves
- Enjoy a range of cultural experiences
- Thrive upon challenge and show resilience
- Are confident in a range of different situations

The Jerry Clay Curriculum Model allows opportunities for children to develop across many different areas of the curriculum giving them opportunities to be leaders in school. Children have a broad range of in-school experiences throughout the year including theme weeks and class celebration events. Our curriculum is designed to be reactive, relevant, reflective and responsive to the needs and interests of all of our children.
